Medical or Other information

Is there any information we need to know to enable us to support your child and keep him/her safe?
E.g. allergy, diet, medication, special educational needs, learning difficulties, behavioural difficulties
(please continue on the reverse if needed).

Photographs and Video Recording

We sometimes take photographs of activities at Cyber Café for celebrating, communicating and advertising all that we do at Cyber Café. These are taken only by designated Cyber Café staff and/or a professional photographer who is a member of Burley in Wharfedale Methodist Church. Photographs never identify a child by name and are usually of a group engaged in an activity.

Please tick all the boxes which apply.

I am willing for my child to:

- to be included in photograph or video clips
- have their photograph displayed and video shown within our church building.
- appear in the Church Newsletter, website and local press, and future group publicity.
- have their photograph shared on the 'Cyber Cafe' closed Facebook group (parents only)
- have their photograph shared on the church's public access Facebook page.

Social Media

We have an open-access Facebook page – ‘Burley in Wharfedale Methodist Church’ – which is open to the public. We also have a closed-access Facebook group for Cyber Cafe for sharing detailed information and reminders about events, which is only available to Cyber Café parents since 2018.

If you wish to be included in this group, please ‘like’ the open access page and you will be added to the group by a page administrator. If you wish to add another parent/caregiver, please ask them to like the Facebook page and then private message the page with their name and they will be added to the group.

This information will be reviewed each year in September. Your details will be kept on file until 12 months after your child is last active in the group, at which point the details will be removed from the system.

Please tick all boxes which apply. Please note that without this consent we will not be able to contact you about youth group or its activities.

I consent to the Burley in Wharfedale Methodist Church holding and processing my personal data, and that of my child, for the following purposes:
